Believe New High School Necessary In Near Future

Would Prohibit Hunting Here

A special article designed to prohibit hunting in Andover was discussed at length at Monday night's meeting of the selectmen.

Filed by Robert D. Mayo and others the article will be inserted in the town warrant for action at the March town meeting.

The article was to the effect that the selectmen take the necessary steps, including possible legislation, so that hunting will be prohibited in the town of Andover except with permission of the chief of police and land owners.

The town counsel, Walter C. Tomlinson, advised that legislation was necessary before the town could take steps to stop hunting here and that state action should first be taken before the town voted on the matter.

David MacDonald, 1 Upland rd., was drawn as a juror to serve at a session of superior civil court opening Feb. 15 at Salem.

Mothers March Tonight On Polio

Some 300 mothers of Andover will join tonight in the annual Mothers' March on polio.

Beginning at 7 p.m., they will canvass all sections of the town in their fight against infantile paralysis. A porch light will be the welcome sign for them to visit you for

A new high school building appears to be necessary in the near future to meet the needs of the expected increase in the junior and senior high school enrollment.

Following a conference with the school board last week the school housing planning committee filed an article for the coming town warrant asking for "the sum of \$15,000 for the further study of the needs and the preparation of preliminary plans to meet the requirements of the expanding junior and senior high school populations, and to authorize the moderator to appoint a school building committee."

This request is based on an estimate of the future public school enrollment which showed the present number of 750 pupils in the junior and senior high schools increasing by the year 1962 to a minimum of 1400 pupils.

Last September the public schools opened with a total enrollment of 2183 which has constantly grown to today's total of 2224, a gain of 41. In late years the schools have gained about 100 pupils a year from September to June.

During the conference of the two boards the need for more classrooms at the West elementary school was discussed. Howard Rich, architect, for the two new elementary school buildings was present with a preliminary sketch showing the future

Ness Appointed To Fire Dept.

As the result of recent civil service examinations Fire Chief C. Edward Buchan has appointed Arthur M. Ness, 89 N. Main St., as a permanent member of the fire department beginning Feb. 1. Ness topped the list of those from Andover who qualified in the examination.

The provisional appointment of Edward H. Henderson was terminated last week by order of the civil service commission. He had been filling the vacancy caused by the death of Henry L. Pomeroy.

Selectmen Make Initial Move For New Town Office Building

Will Ask Town Meeting For Building Com.

A building committee to prepare plans and estimates for a new town office building will be sought at the annual town meeting in March.

This first step toward replacing the present inadequate structure with one that will provide modern quarters for town offices and room for future expansion is being taken by the selectmen who are sponsoring an article in the town warrant for the preliminary study.

This is but one of the major items which the voters will be asked to pass upon when considering appropriations for the current year.

The school housing planning committee will also ask for a building committee to prepare plans to meet the requirements of the expanding junior and senior high schools.

Other major items in the town warrant include a request for \$80,000 to be added to the funds set up last year for the purpose of constructing a sewerage system in Ballardvale. Bids on the state-approved plans last year were rejected as they were almost double the \$80,000 voted for the project at the 1953 town meeting.

The fire department is asking for a new ambulance. This will replace the Henney bought in 1937, which

Rent Controls To End Feb. 1

The local rent control board met Monday evening and voted four to one to decontrol maximum rents for the entire town effective Feb. 1. This action was taken in accordance with Chap. 434, Sec. 5 (B) of the state law (An Act relative to rent control.)

The board will remain in existence and will still retain its authority to re-establish maximum rent ceilings at a later date if in the judgment of the board such action becomes necessary.

The board held a public hearing Jan. 14 to attempt to learn if a substantial housing shortage existed here. About 100 people were in attendance but very few spoke.

The board will continue its regular office hours from 2 to 5 p.m., Tuesdays at the town house.

Two Get Probation In Break At P. A.

After dismissing charges of breaking and entering with intent to commit a felony Judge John J. Darcy in District court at Lawrence last Thursday found two Andover youths guilty of breaking and entering with intent to commit a misdemeanor and placed them on probation for a year.

Charles S. Hill, 17 and Russell I. Dunfee, 18, both of River Park terrace had pleaded not guilty to charges brought against them which grew out of three breaks made into a small radio shack on the Phillips academy grounds in which radio equipment valued at \$800 had been taken.

Patrolman Robert Deyermont testified. Equipment valued at \$680 had been returned by the boys Jan. 6. Some of this was found on the grounds Jan. 7 which caused the investigation which resulted in the charges against the pair.

It was the first offense for both. One of the conditions of the probation was that Hill return to live with his father in Dracut.

TO ATTEND CONFERENCE

Many local parents and teachers are planning to attend the mid-winter conference of the Massachusetts Special Class Teachers' Assn., Inc., to be held Saturday, Feb. 6 at Boston. Anna F. Walsh teacher at the central elementary school, is in charge of the local arrangements.

Abbot Academy

Accompanied by Miss Marguerite Hearsey, principal, Miss Dorothy Judd and Miss Virginia Peddle of the physical education department, and Miss Eleanor Tucker of the Abbot faculty, the senior class of Abbot academy left Tuesday morning for a three-day ski trip.

They will make their headquarters at Intervale, N.H. The group will return tonight. Meanwhile, the school schedule is maintained for all other classes after a free day on Tuesday at the end of the examination period at 10:30 a.m.

On Saturday evening, Jan. 30, Count Byron de Prorok will lecture on "Lost Worlds". Count de Prorok is one of the world's outstanding archaeologists. He was present at the opening of the tomb of King Tutankhamen, and he was the discoverer of King Solomon's mines. However, his first interest has remained with Greece and its adjacent areas. He is considered an expert on Greek culture. Count de Prorok's lecture will be illustrated by slides of great beauty and interest. The lecture will take place at 8 p.m., in Davis Hall, and is open to the public, free of charge.

Service Club Holds "Baseball Night"

The Hot Stove Baseball League was sizzling at the Andover Inn last Thursday night when about 90 members of the Andover Service club and their guests enjoyed a "baseball night" that featured "Artie" Gore, National League umpire, Johnny Antonelli, pitcher of the Milwaukee Braves, and "Jeff" Jones of Stratford rd., the Braves New England scout and a member of the club, who arranged the program.

President Irving J. Whitcomb presided at the dinner meeting which was opened with an invocation by the Rev. Henry B. Syvinski, O.S.A.,

of St. Augustine's church, William A. Doherty was the winner of the free dinner.

President Whitcomb turned the meeting over to "Jeff" Jones who paid a tribute to "Artie" Gore as a top notch umpire both in major league baseball and basketball. He said he remembered Gore as a hustling ball player when both were teammates some years ago.

Gore, before he launched into a number of humorous stories about the game and some of its players, complimented the local man for some of the potential major league

starts, including Antonelli, he signed up for the Braves.

He said that Lou Perini made a smart move in taking his Boston Braves team to Milwaukee where not only the city but "the whole state of Wisconsin is in back of them."

Antonelli's part in the program consisted mainly in answering questions put to him by Jones. The latter complimented the Service club on its interest in the Junior League and, on being questioned by Jones, Antonelli said such help was a wonderful thing in giving youngsters a chance to get a good start in the game.

The O'Connell deal made him very happy as he had played ball with the Braves new infielder and felt he was one of the greatest ball players in the game today. With a young club he felt that within three years the Braves would be the team to beat.

Many of those present had questions to ask which brought out considerable interesting and humorous stories of players and the game.

Heart Campaign Committee Named

February is "Heart Month" in Andover, as it is throughout the nation, and plans are going ahead, under the leadership of a local committee, to make this year's drive an even greater success than last year's when over \$2000 was raised through the efforts of many generous contributors.

Great advances have been made against the number one killer — heart disease — this past year through research. Much of the money for this research was obtained from the Heart fund. More is needed this year.

A "Heart Fund" dance is planned for Mar. 5.

Committee workers include: Mrs. Alan G. Gillingham, Mrs. Monroe Leaf, Mrs. Juliet R. Kellogg, Mrs. Frederick Watt, and Mr. Donald Burns, Dr. T. Dennie Pratt has been elected chairman for a second year.

The precinct leaders are: 1, Mrs. Frederick E. Watt; 2, Mrs. Guy B. Howe Jr., and Mrs. William S. Morrissey; 3, Mrs. Joseph L. Daly and Mrs. James M. C. Tighe; 4, Mrs. Harold E. Lermond and Mrs. Robert Macartney; and 6, Mrs. Waters Kellogg.

The committee wishes to make clear that volunteers to help with this drive are urgently needed and should contact Mrs. Gillingham. (Tel. Andover 2349)

Important Contests To Decide

When the time for filing nomination papers expired last Friday the number who had signified their intention of running for town office showed that the voters of Andover are going to have several contests to decide at the next election.

Chief interest at the moment centers on the contest for the offices of selectman and assessor from which Roy E. Hardy is retiring after 18 years of outstanding service.

Other places to be filled are also of major importance to the people of the town as those elected to the board of public works, the school committee, and to the planning board will have much to do with the future development of Andover, the direction of its progress, and the spending annually of more than a million dollars that comes from the pockets of our taxpayers.

For these reasons it is appropriate right now to call attention to the importance of getting a large number of voters to the polls next March 1 so that the will of the majority may be expressed in the results of the election.

To be qualified to vote, one first must register. This may be done at the office of the town clerk in the town house any day during office hours from now until February 10, or at the evening sessions of the registrars of voters being held in the different precincts.

Any United States citizen is qualified to register if he is 21 years of age or over, has been a resident of this state for one year immediately preceding the election, and of the town for six months, and can read and write English.

You must register if your name has been dropped from the voting list, if you have not registered before, if you have changed your name through court action or marriage, or if you have moved to a new city or town. There is no fee.

The voters' service committee of the League of Women Voters of Andover is arranging that each newly registered voter shall receive at the time of registration a "Voters' Primer" containing non-partisan information on voting and elections and a diagram of the town government of Andover.

Qualify now and be prepared to exercise your franchise in the town election next March.

There are always many more people ready to criticize new ideas than those who think them up.

If all the New Year's resolutions were laid end to end they wouldn't reach to the first of February.

Tips

for Women Drivers

The dash-board of the woman's car may not be as imposing as that on a plane, but it has news for her. She should form the habit of running her eye over the dials every now and then. Here's what they are and what they say:

The Gasoline Gauge tells how much is in the tank. It's good practice to fill up as soon as convenient after the needle drops below the half-way mark.

The Oil Gauge indicates how your oil pump is working, not how much oil you have. If it jumps erratically or drops far below the half way mark, something is wrong. Go at once for service to a dealer who knows your make of car, preferably the new car dealer who sold it to you.

The Battery Gauge or Ammeter shows whether you are adding to or taking from battery current. In normal daytime driving it should hold steady, slightly on the "charge" side.

The Temperature Gauge shows if your cooling system is working properly. After you are under way, so the car has warmed up, the arrow should stay about the middle (between 160 and 180 degrees) the year around.

If any of these dials don't say what they should, it's a warning that you should heed promptly. After all, even the most mechanically-minded male will admit that a car is a package of complex machinery, different in almost every case. To the average female it's more than complex, it's plain incomprehensible! That's why it's important that the men who work on your car know what they are doing. Your new car dealer's service men have the benefit of factory training and their extra knowledge can mean extra assurance for you.

Down the Years with The Townsman

50 Years Ago — January 1904

The Blackstockings football team enjoyed a sleigh ride to Haverhill Tuesday night despite the severe snow storm.

Someone whom the police have as yet not been able to locate tore the new sign marked East Chestnut street from its post. It is to be regretted that anyone would be so mean as to tear down one of these attractive signs as they have been up only a few weeks and were a considerable expense to the town.

The storm the first of the week caused considerable trouble to the electric roads. The Andover-Reading line was severely handicapped, no cars being able to run until Thursday. On the Lawrence division many cars were stalled but with the aid of other cars the line was kept comparatively clear. On town streets considerable snow was piled up by the electric snow plow and Supt. of Streets Lovejoy had a large force of men removing it.

The Andover National bank has just installed an adding machine. It will add any number of figures as accurately as a person and much faster.

The Rev. George A. Andrews of the West church has accepted a call to the First Congregational church of Holliston.

The school committee is expected to come before the next town meeting with a plan for improvements in several schools. Increased school accommodations are also needed in the Center, at least three new rooms, possibly four, being needed.

Clams with all the "fixins" were served by the Andover Steam Fire Engine company to a large number of friends at the engine house last Friday night. At a social session after the supper it was voted that as the firemen had given the citizens so many clam suppers in the last few years that in return for their kindness and generosity it would be only fitting that those present give them a supper. A committee was formed to make arrangements.

The danger point in the East has shifted to Seoul, capital of Korea. There is a feeling that anti-foreign sentiment was fomented by Russian intrigue. Another U.S. ship has been ordered there to land more marines.

25 Years Ago — January 1929

Madame Schumann-Heinke, now nearing 70, heard by a large audience in George Washington hall as she gives a recital on her farewell tour.

Clan Johnston, O.S.C., observed the 170th anniversary of the birth of Robert Burns with a fitting program.

In spite of the cold weather during the past week Miss Mildred Morse of Whittier st., picked a pansy in her garden.

Police Officers George A. Dane and Carl Stevens responded to an

alarm sounded by the national bank gong Sunday morning. They were greeted by the janitor who explained the alarm was caused by a vacuum cleaner becoming caught in the wiring of the vault system.

The annual father-son banquet of the Men's club of the South church was held with 90 men and boys in attendance.

"If conditions fail to improve we must attract new industries to Andover," we say editorially in reviewing the curtailment in local factories which is depriving many operatives of a means of earning a livelihood. We don't want these good citizens to leave town in search of employment elsewhere.

A new tractor snow plow, owned by the state, has arrived here to keep state highways in Andover open after storms. The board of public works recently purchased a similar plow for handling heavy storms.

Roland L. Luce has announced his candidacy for selectman, and Walter I. Morse has announced his candidacy for the board of public works.

After the business meeting of Andover Grange Tuesday night a candy-pull was enjoyed.

The Ivy club of Ballardvale is rehearsing a minstrel show to be given in February. William Juhlmann is the interlocutor and Fred Cronin music director.

10 Years Ago — January 1944

The school committee has adopted a budget of \$206,011 which is about \$5000 more than last year.

A testimonial banquet is being arranged to honor Eddie Doherty, B.C. football captain who will join the navy next month, by the Andover Town baseball team.

Matthew Burns, a native of Scotland and former alderman in Lawrence, dies at his home on Bartlett st., after a long illness.

The first contest for town office became evident this week when Gordon M. Thompson, 14 Arundel st., and Mrs. Dorothy T. Partridge, 50 Walnut ave., took out nomination papers for school committee. There are now four candidates for three vacancies, Mrs. Katherine Baldwin and John Mackenzie being candidates for re-election. Chairman Frederick C. Smith, whose term expires, will not run again.

Louis S. Finger, War Finance committee chairman, reports that private citizens in the first week of the Fourth War Loan drive, subscribed 20 percent of the town's quota. The war bond store operated by Mrs. Harold W. Leitch's committee, has alone sold more than \$13,000 in bonds and stamps since Thursday.

LOOSIGIAN - MILLER

At a 2 o'clock ceremony Jan. 17, in St. Gregory the Illuminator church, Haverhill, Miss Florence Miller, daughter of Mr. and Mrs. Vart P. Miller, 496 Groveland st., Haverhill, became the bride of William K. Loosigian, son of Mr. and Mrs. Kirkor Loosigian of Pleasant st. The Rev. Hrant Khachadoorian performed the ceremony before an altar decorated with white gladioli.

Given in marriage by her father the bride wore a gown of cathedral blue pure silk taffeta and chantilly lace. Her matching net veil was edged with lace and she carried a spray of calla lilies.

The bridal attendants were Mrs. Rose Asoian, sister of the bridegroom, as matron of honor, and three sisters of the bride, Lucy Ann, Virginia G. and Sylvia Susan Miller were the bridesmaids. The matron of honor wore a pink chiffon velvet princess gown and carried deep red roses on a pink satin muff, the bridesmaids wore similar gowns in white and carried deep blue iris on white satin muffs. All wore rhinestones and pearl tiaras.

For her daughter's wedding Mrs. Miller chose a gown of deep cham-

pagne pure silk Chantilly lace over apple green satin. Her hat was velvet and she wore a white and yellow orchid. The bridegroom's mother, wore grey pure silk Chantilly lace over crushed pink velvet with a matching velvet hat and a purple and pink orchid.

John Asoian, brother-in-law of the bridegroom, was the best man and the ushers included Harry Loosigian, Francis Kasabian and Jack Barberian.

A reception in Crystal ballroom followed the ceremony with guests present from Massachusetts, Rhode Island, Connecticut, New Hampshire, Washington, D.C., New York, New Jersey and Pennsylvania.

Following a wedding trip to Miami, and a plane trip to Mexico the couple will be at home Feb. 28, on Pleasant st.

O'CONNOR - KENNEY

At a 10 o'clock nuptial Mass in St. Augustine's church, Saturday morning, Miss Anne Kathryn Kenney, daughter of Mr. and Mrs. John W. Kenney Jr., 16 Johnson rd., became the bride of Patrick B. O'Connor, son of Mr. and Mrs. John J. O'Connor, 5 Haumont terrace, Springfield. The Rev. Francis O'Connor of Portsmouth, N.H., performed the ceremony. James Sheard was the soloist.

Given in marriage by her father the bride wore a waltz length gown of antique taffeta fashioned with a portrait neckline of alencon lace. Her veil of French illusion was attached to a cap of matching lace and she carried a white prayerbook marked with orchids and stephanotis.

The bridal attendants were Miss Jeanne Kenney, as maid of honor, and Miss Barbara Kenney, as bridesmaid. They wore identical, waltz length gowns of iridescent turquoise taffeta with matching hats and shoes and carried bouquets of white carnations.

Richard F. O'Connor of Springfield was best man and the ushers were Richard Beaudro and George Kelleher, also of Springfield. A reception in the Andover Inn followed the ceremony.

The bride attended Emmanuel college and was graduated from Merrimack college. The bridegroom who served with the navy in World War II, is now attending Merrimack college.

A good way to start a fight is to try reasoning with anybody who knows he is in the wrong.

Get New Duties In Reserve Units

Announcement that Major Harrison E. Brown, 104 Chestnut st., has been named commanding officer of H/H Co., 439th Transportation Truck battalion located in Methuen, has been made from the Lawrence Army Reserve training center.

A World War II veteran Major Brown has been connected with the transportation business for 22 years, working for various railroads. He is traffic representative for the B & M railroad.

Another announcement from the center told of the appointment of Lt. Col. Arthur Heifetz, 59 Bartlett st., as director of recruiting for the 31st General hospital. Lt. Col. Heifetz is executive officer of the

unit and has been a member since its activation.

A veteran of World War II he was awarded the bronze star by the commanding general of the 87th division and also wears the European campaign medal with three battle stars.

will be sold. The second ambulance, a Cadillac bought in 1947 and which has gone about 55,000 miles will be held in reserve for emergency service. The emergency ambulance last year made between 50 and 60 trips.

The police department is asking for two men, - a sergeant and a patrolman. Police Chief David L. Nicoll feels that this is the minimum requirement at this time.

The police department will also ask for two new cruisers, also a 3-wheel motor cycle for parking meter work, the sum to be taken from the parking meter fund.

The assessors are asking for a full time clerk with knowledge of engineering and building and are including \$4000 in their budget for his salary.

An increase of about \$10,000 is requested for the pension system bringing the appropriation up to \$32,000. Several new names have been added to the list during the past year.

The board of public works among other requests is asking \$20,000 to extend the town water system; \$15,000 for constructing relief sewers in Chestnut, Elm, Essex streets and other necessary locations; \$10,000 for grading, drainage and other work necessary for the development of the recently enlarged playground; and \$9,450 for enclosing another section of Rogers brook for a distance of about 315 feet.

The article submitted by the selectmen for the town office building committee is as follows:

To see if the town will instruct the moderator to appoint a committee of five, known as the town office building committee, make available to this committee the \$2500 appropriated under Art. 22 of the town meeting in 1944 for the purpose of preparing plans for the Shaw property at 85 Main street,

and instruct the committee to prepare preliminary plans and estimates for a new town office building, and request the committee to make a report at the annual town meeting in 1955.

**Legislature Passes
Bill For Merger**

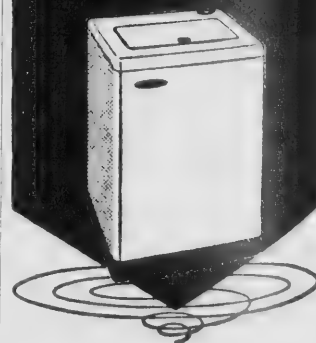

The bill authorizing the town to make the tree and moth departments divisions of the department of public works has passed the legislature and the question of the merger will be submitted to the voters at the town election in March.

If the majority of the votes cast in answer to the question is in the affirmative the act shall become fully effective beginning with the town election, but not otherwise.

PUNCHARD HIGH

By JOYCE M. WILLIAMS

Guidance Notes

Several hospitals have extended invitations to the students interested in nursing to their visitor's day programs. The hospitals represented were, the Peter Bent Brigham of Boston; Faulkner hospital, Boston; and Leominster hospital, Leominster.

The next session of college board examinations will be held at Punchard on Saturday, Mar. 13.

College Admissions Officers who have visited in the guidance office recently to interview prospective candidates are: Benjamin McKendell of Brown university; Ralph Cotting of Tufts college; Robert Dunfield of Dennison college; and George Morrison of Clark university.

The Guidance department will soon begin its annual program of meeting each student in Grades 9-11 to plan schedules for next year. The revised program of studies is now being prepared and it will be distributed before the interviews begin. Miss Katherine Sweeney and Robert Collier will be in charge of the Junior High Grades and Bernard Kellmurray and William Igoe will take charge of the high school.

Polio Assembly

The students of Punchard and the Junior high were entertained in assembly Tuesday by Pruth McFarlin, a lifetime victim of polio. Mr. McFarlin, assisted on the piano by Miss Sarah Hedrick, sang selections of religious music, folk tunes, and western type. He varied his program by telling several in-

teresting anecdotes between selections. The students received the program with much enthusiasm and Mr. McFarlin rendered several encores.

After the program, a collection was taken up for the "March of Dimes."

Art Contest

The junior and senior art classes under the supervision of Miss Frances Dalton have submitted their work of the first half year to the Scholastic Art Exhibit in Boston. Approximately 340 pieces of creative work have been entered in the contest. The work judged for the regional show will be on exhibit at the Independent Museum of Contemporary Art in Boston. The public is invited to attend the exhibit. These scholastic art awards are for the purpose of promoting creative expression in art students and the awards have the approval of the contest committee of the National Association of Secondary School Principals.

Notes

A representative of Simmons college, Boston, was in the guidance office on Monday to interview all interested candidates.

Junior High Newspaper

Work has been started on the Junior High school newspaper which will be issued in February and is under the direction of S. Perry Congdon. Students who will help with the publication are: Literary, Joan Adams, Evelyn Richmond, Robert Nicoll and Donald McBride; humor, Herbert Whittemore; assemblies, Betsy Caswell; art, Deborah Smith and Evelyn Richmond; car-

toons, William McCullom, Charles Dalton, Barry Flynn and Thomas Tighe; boys' sports, Thomas Emmons, Frederick Polgreen, David Best and Edward Dwyer; girls' sports, Lynn Cotter, Deborah Smith and Ann Benedetti; features and columns, Joan Adams, Polly Hogan, Betsy Caswell, Edward Dwyer, Barry Flynn, Kirk Whitman, Marcia Tangney, Marilyn Haseltine, Sandra Nadeau, Betsy Gilchreast, Joy Partridge, Gail Higgins, Joyce Dunlop, Janice Vogt, and Eleanor Warshaw.

ATTENDED CONVENTION

Robert A. Walsh, 19 Wolcott ave., attended the annual convention of Phi Delta Chi Pharmaceutical fraternity, held at the University of Illinois in Chicago recently. He is grand president of the organization.

Mr. Walsh, professorial lecturer on professional relations at the

Massachusetts College of Pharmacy, Boston, is a graduate mem-

ber of Eta chapter of the fraternity.

+ Plus 20 from St. Augustine's Grade VIII

The school population estimates compiled by Supt. Edward I. Erickson by grades from 1953 to 1962 including the census of pre-school-age children made last year by the assistant assessors, which shows how the junior and senior high school enrollment is expected to increase in coming years. The figures do not include estimates of pupils who may move into town during that period. To follow chart take, for example, the 1953 kindergarten class of 194 pupils which in 1954 moves into Grade I, in 1955 into Grade II, and so on.

expansion of the West school building by the addition of six more rooms.

The possibilities of an added six-room wing to this structure were discussed at some length. It was realized that the cost of adding just two rooms at a time until the six were completed would be proportionately greater than adding the six at once.

No action was taken on this matter. It is felt that for the present the additional pupils at the West school could be housed in the Shawsheen and in the Stowe school buildings until such a time as it is feasible to enlarge the West school.

Newcomers Visit Historical House

The newcomers club met Monday afternoon at the Andover Historical society building on Main street. Mrs. Peregrine Schwarzer, vice president, presided.

Miss Caroline Underhill, the curator, gave an interesting talk on early Andover. Miss Underhill and Mrs. Margaret Dodge, assistant curator, conducted club members through the house, showing many precious antiques.

Tea was served by the following

hostesses, Mrs. Albert Kempton, Mrs. John Pritchard, Mrs. Roger Collins and Mrs. Sidney Hill.

A card party for members and guests will be held at the Andover Inn next month and in March an exhibition of travel pictures will be presented by Dr. and Mrs. Henry E. Hartwell of Lawrence, who are now travelling in Europe.

The answers to everyday insurance problems

QUESTION: I heard recently that when a thief gets money out of a safe by opening the combination it isn't "burglary" according to insurance companies. Is this true?

ANSWER: As a general rule that is correct. There are exceptions but usually "burglary" as defined in an insurance policy, must be accompanied by "forcible entry" or attempts at same.

Punchard 63, Johnson 41

Exploding with a 24-point scoring spree in the second period the Blue Devils of Punchard romped to a 63-41 victory over Johnson high of North Andover at the local gym Tuesday night. It was the second Punchard victory over Johnson this season.

The locals outscored their rivals in every period although the visitors were outscored in the first and third periods by only one-point margins.

Punchard won the JV game 62-23, with a lot of the local substitutes seeing action.

Punchard 50, Methuen 47

In a nip-and-tuck battle that was tied up in the closing moments of play Punchard eked by Methuen with a 50-47 victory at the Memorial gym last Friday night.

Punchard entered the fourth period leading 40 to 36. The score worked down to 47-44 when a rush for a loose ball brought a flare up and a brief exhibition of fist-cuffing.

Peace was restored and Methuen

received a foul shot plus the ball. Hanna scored the foul shot bringing the score to 47-45 and a moment later Methuen tied it up with less than a minute remaining when Scott Giles scored a basket from half court.

The Blue Devils rallied and drove down the court with Bill Stack charging through for a lay-up shot to put Punchard ahead. A final foul shot by Paul Whitley made it 50-47 for the locals.

Stack, Whitley and Dyer were high scorers for Punchard while Yancy was very effective defensively. Ed Cuna and Giles were outstanding for the visitors.

Punchard won the JV game 45 to 23.

SEEK LARGER AREA FOR HOUSE LOTS

(Continued from Page One)

town warrant.

A public hearing on this proposal was held at the Memorial Hall library last Thursday by the town planning board.

The article proposes to amend the by-laws to provide for lot frontages of not less than 125 feet and

for lot areas of not less than 15,000 square feet within a one-mile radius of the town house, a half-mile radius of Shawsheensquare, and a half-mile radius of the Ballardvale fire station; and for lot frontages of not less than 150 feet and lot areas of not less than 25,000 square feet beyond a one-mile radius of the town house.

The present by-laws provide for frontages of not less than 75 feet and for lot areas of not less than 8500 square feet.

The special article has been prepared as the result of the work of a lay committee headed by J. Radford Abbot which has been formed to assist the town planning board.

This is the time of year when the Collector of Internal Revenue mails a lot of letters to his acquaintances.

University Of Life To Open Sunday

One of the outstanding religious leaders of the country will give the opening address at the University of Life series which opens next Sunday evening at the Free church.

Dr. Howard Thurman, dean of Marsh chapel at Boston university, was among the 12 great preachers pictured in a national magazine last year along with Dr. George Buttrick of Madison Avenue church in New York. Dr. Theodore Ferris of Trinity church, Boston, and Bishop Fulton Sheen of Washington.

Dr. Thurman is a native of Florida, and attended Morehouse college where he received his B.A. degree in the field of philosophy. He studied for the ministry at Rochester Theological seminary. After some years as a member of the faculty of Howard university in Washington he was called to San Francisco to help establish the Church for the Fellowship of All Peoples.

His topic for the University of Life meeting is "Fellowship is More than a Word."

After the chapel service at 6:15

p.m., Dr. Thurman will lead the discussion of the church seminar which meets between 7 and 8 p.m.

ASK \$5 INCREASE FOR BPW EMPLOYEES

Among the 65 articles in the town warrant is one to see if the town will grant each regular employee of the board of public works a salary raise of \$5 a week.

Another calls for \$5063 to be spent with the unexpended balance of \$3936 appropriated in 1953 to erect a traffic booth in Elm square and install traffic lights to govern travel at that location.

Plan Interchurch League Events

A committee representing the mothers of boys in the Interchurch Basketball League met last Monday night to make plans for the annual banquet.

In the group were: Mrs. Alan Chadwick, South church; Mrs. Walter Pearson, Free church; Mrs. Homer Wadman, Christ church; Mrs. Donald Anderson, Baptist church; the Rev. Raymond Wilbur, Union Congregational church, Ballardvale; William Stewart, West Parish church; and Mrs. Joseph Barton, St. Augustine's church and also co-chairman with Charles O. McCullom.

The Round-Up

Next Monday night at the Memorial gym there will be a meeting of the fathers representing each church in the league to discuss plans for the annual round-up.

The round-up consists of a series of contests for prizes in which every boy registered in the league will take part.

ADMITTED TO HOSPITAL FOLLOWING ACCIDENT

F. Tyler Carleton of Cheever circle was admitted to the Lawrence General hospital following an auto accident near his home last Sunday morning.

According to a report made to police he was going up Cheever circle when a car operated by Mrs. Ruth K. Wilkinson of Cabot road travelling in the opposite direction skidded on a patch of ice in the roadway and collided with his car. Both cars went up on the lawn of James E. Greeley, 31 Cheever circle, and snapped off a small light post.

Mr. Carleton has since been discharged from the hospital.

HOSPITAL NOTE

Richard Wrigley, 71 Stevens st., who was injured two weeks ago in an auto accident, is still a medical patient at the Lawrence General hospital.

Former Resident Gets Revenue Post

Alexander Dudley, a former Andover resident, who at one time worked in the local post office, has been named to the \$12,000 position as U.S. internal revenue district director for the Pittsburg, Pa., area.

Born in Dundee, Scotland, 63 years ago he came to this town at the age of 10 and attended the local schools, served with the army in World War I and then afterward attended Boston university. Upon completing an economics and accounting course he joined the revenue service at Washington and was later transferred to Pittsburg where he since remained.

MISSING LAD LOCATED

After Kenneth, aged 3, son of Mr. and Mrs. Herbert F. Westbrook, 7 Cornell rd., was reported missing about 3:55 p.m., last Sunday an emergency call brought out 18 members of the auxiliary police who with neighbors searched through the area until the lad was found about a mile and a half from his home.

The youngster had wandered off with his dog and was located near the home of Robert Bernier, 61 Beacon st.

When the call was received Police Chief David L. Nicoll and Patrolman Robert Deyermund contacted the auxiliary officers and soon had a large group to lead in the search.

The easiest thing in the world to do is to resolve to begin saving money next month.

Ask Light Poles On N. Main St.

The question of the presence of electric light poles in Shawsheen will be brought up at a public hearing Feb. 15 as the result of a petition filed by the Lawrence Electric Co., for permission to erect 25 poles to carry street lighting on North Main street.

According to the petition the poles would be erected from the Shawsheen bridge northerly to Kenilworth street except in Shawsheen square.

Because of the large number of people expected to attend the public hearing on this petition some central location with seating accommodations larger than those provided at the town house will be secured.

The pole locations sought are part of the plan advanced for the lighting of Main street with mercury vapor lights from the Lawrence line to Phillips academy, and was advanced after a study had been made by engineers of the utility company.

Polio Paper Drive To Be Held Sunday

The paper and scrap drive in aid of the polio campaign will be held Sunday from 1 to 5 p.m.

Persons having waste paper and rags to be picked up are asked to have them done up in bundles and leave them on the sidewalk and they will be collected by the volunteer crews working with James V. Deyermund and Raymond LaRosa, co-chairmen of this drive.

Any one who has scrap metal to be contributed for this cause can call the central fire station and have it picked up.

Persons who have paper and rags to dispose of before Sunday can place them in a large trailer truck now parked in the rear of the town house.

For the collection Sunday afternoon several more volunteers can be used.
